Recycled Award Clocks

The best awards are the ones you want to keep, and our award clocks are real keepers. So why not order a dozen as prizes at your next event, or a few hundred as tokens of appreciation for your best customers? We make them both with and without the mesmerizing pendulum. And of course we'll engrave your art and words on the face. Made of recycled bike parts. Size: 8-inch diameter (6-inch diameter engraving area). Each runs on one AA battery (included), and comes in a colorful gift box.
